Project:

DEER ISLE CAUSEWAYS STUDY

Wednesday, June 5, 2024

from 6:00 p.m. – 7:30 p.m.

Reach Performing Arts Center

249 N Deer Isle Road, Deer Isle

Please join the MaineDOT to discuss draft findings from a Feasibility Study related to causeway improvements between Deer Isle and Little Deer Isle and the smaller causeway between little Deer Isle and the Deer Isle Sedgwick Bridge.

Officials from MaineDOT will present information about the study, draft recommendations, and get your feedback.

Accommodations will be made for persons with disabilities. Please call in advance to request auxiliary aids. TTY users dial Maine Relay 711.
