INSPECTORS APPLICATION FORM

The Stonington Harbor Master's Office is compiling an updated list of MOORING INSPECTORS to be recommended to vessel owners. This list is offered to all registered mooring holders within Stonington Harbor and Stonington Waters only and any agreements are made between the mooring owner and inspector. If you are interested in being included, please forward the information below:

All mooring inspectors must submit written qualifications and references from commercial yards, yacht clubs, government agencies, etc. to the Harbor Master for approval before being placed on the list.
